Business Finance (Fina 3313)
Fall 2020

The course syllabus provides a general plan for the course; deviations may be necessary.

Instructor Information
Office: COBA 631
Instructor: John Adams, Ph.D.
Department Phone 817.272.3705
E-mail: jcadams@uta.edu (please check the class website and syllabus before sending email).
Faculty Profile: https://www.uta.edu/profiles/john-adams
Microsoft Teams: FINA3313 Fall 2020 Adams.

Course Structure and Delivery
This course is standardized across all sections and features common quizzes, homework, exams, grading policies, and syllabus. Please visit the class welcome page on Canvas for an overview of the class and tips for navigating the website. The course is delivered in a sequence of six modules and three exams. The six modules have a mix of graded and non-graded assignments. In general, the graded assignments assess mastery of the course objectives and the non-graded assignments support mastery. See Assignment Descriptions below for more information.

Course Description and Objectives
Emphasizes the financing and investment decisions of the financial manager. Topics include financial markets, asset valuation, capital budgeting, short and long-term financing, and capital structure. Upon successful completion of this course you will be able to
1. Describe the financial environment of the firm
2. Define and apply the concept of value maximization as a managerial goal
3. Describe the determinants of interest rates and required returns
4. Describe, apply, and evaluate risk and return relationships
5. Apply time value of money concepts to personal and corporate financial decisions
6. Critically evaluate and make recommendations for various business scenarios including
   a. Investment Decisions
   b. Financing Decisions
   c. Operational Decisions

Office Hours
I am available by appointment to meeting online using Microsoft Teams. I am happy to meet with you – it is not an inconvenience. I strongly urge you to contact me early in the course for help or guidance.

Email and Discussion Page Policy
Please check the class website and syllabus before sending emails. This helps to ensure your individually specific questions are answered promptly by reducing the volume of tweets and emails. To this end, I don’t generally answer quiz, materials covered, exam, etc. type questions via email. I do, however, encourage use of Teams to ask questions and interact with your peers.
Response Times for Emails and Discussion Page Questions
For those questions that must be asked via email (personal and/or specific to your situation) I strive to answer within 24 hours (again – please refer to the class website and discussion page for answers to assignment related questions). The same goes for the discussion page.

Prerequisites
Successful completion of ECON 2306, ACCT 2302, MATH 1316, and 60 credit hours.

Required Resources:
This class requires the following resources.
I. Required Materials: Finance Learning Resource (2020). This is a multimedia learning resource integrated with the Canvas LMS. Access codes are available for purchase at the UTA Bookstore. See the “Purchase Finance Learning Resource” link in Canvas for more details.
II. Additional materials: Lecture videos, supplemental videos, slides, spreadsheets, and additional readings can be found on the class Canvas website.
III. Calculator: You will want a financial calculator or a calculator capable of performing financial calculations. There are many good financial calculators but I will be using the Texas Instruments BA-II Plus Professional. A slightly less costly alternative is the Texas Instruments BA-II Plus. Apps for Texas Instruments BA-II Plus are available for Apple i-phones, i-pads, and Android devices. Choose whichever calculator solution that works best for you – but only one calculator is permitted for exams. If you go the app route, I recommend installing it on a device that you will NOT use for testing. However, keep in mind that the lockdown browsers and online proctoring systems for the midterm and final exams do not permit app-based calculators.
IV. Electronic Devices: A computer - not a tablet - with a microphone and camera is required for this course. A backup device is strongly recommended in case your primary computer/device malfunctions. Exams are timed and extensions/makeups due to device failure will not be granted.
V. Internet Access: Quality internet access is required. Exams are timed and extensions/makeups due to poor internet access will not be granted.
VI. Software: Microsoft Excel and a web browser. Free spreadsheet and programs may work but I am not familiar with them.

Assignment Descriptions
The graded assignments include quizzes, homework problems, spreadsheets and exams. All graded assignments are submitted electronically. Quizzes, homework and exams are machine graded while the spreadsheets are student peer and instructor graded. The non-graded assignments are readings, instructor created video lectures, third party informational videos, some spreadsheets, and slides.

Chapter Quizzes and Homework
After attending/watching lectures and working through lecture PowerPoint slides, you will complete the reading assignments. Short quizzes that are embedded in each chapter, and there are end of chapter homework assignments. If you are stuck on a question, refer to examples worked in the chapter and lectures, contact one of the free finance tutors (see Canvas), or ask
me on Teams. You can rework the quizzes and homework (excluding the manually graded spreadsheet homework assignments) up to the last day of class to increase your grade.

**Exams**
After completing all topics in a module and their corresponding quiz and homework and questions, you will be ready for the exams. You must complete the quizzes and homework with a minimum score of 70% to be eligible to take the exams. Be sure to pay attention to the time limit for each test. The exams take place at the times indicated in the Key Dates section of this syllabus.

**Grading scale: (no +/-)**

Grades are assigned relative to class ranking. The target class GPA is 2.2 with letter grades awarded as follows.

<table>
<thead>
<tr>
<th>Class Percentile Ranking</th>
<th>Exam 1 (Modules 1 and 2)</th>
<th>25%</th>
</tr>
</thead>
<tbody>
<tr>
<td>A 80-100</td>
<td>Exam 2 (Modules 3 and 4)</td>
<td>25%</td>
</tr>
<tr>
<td>B 55-79.9</td>
<td>Exam 3 (Module 5)</td>
<td>25%</td>
</tr>
<tr>
<td>C 25-54.9</td>
<td>Quizzes and homeworks (% of points)</td>
<td>25%</td>
</tr>
<tr>
<td>D 15-24.9</td>
<td></td>
<td></td>
</tr>
<tr>
<td>F 0-14.9</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

For example, a student in the 80th percentile performed better than 80% of the class and will receive an A. A student in the 35th percentile scored higher than 35% of the class and will receive a C.

The percentiles represent the lower bounds of the grade distribution. That is, your actual grade will be the higher of the above percentiles or the traditional 90% or higher of points earned=A, 80%-90% of points earned=B, 70%-80% of points earned =C, 60%-70% of points earned=D, and below 60%=F. Think of the percentile ranking as a curve. Percentile rankings will be provided in the weeks following Exam 2 and Exam 3.

**Assignment Feedback**
You will receive automated grades on quiz, homework problems, and exams upon completion. The spreadsheet homework will be graded within 10 days of the due date.

It is the student’s responsibility to verify the accuracy of the online grade sheet and notify me within 7 days of any errors. After 7 days, the grades will not be changed.

**Missed Assignments/Make-up Policies**
The exam dates are posted here so please make work and personal arrangements to attend, Exams may be taken late up to after the due date with penalty. The penalty is a 5% reduction per day after the due date. For example, the maximum score on an exam taken 2 days late is 90%. The daily penalty applies even if a proctor is not available on your desired make-up date (proctors are usually not available on weekends). Make-up exams must be taken within 5 days of the exam date but not beyond the official University grade submission deadline.
**Expectations for Class**
Students enrolled in this course should expect to spend at least 20 hours per module in course-related activities, including attending/watching the instructor lectures (approximately two hours per module), watching any informational videos, reading required materials, completing assignments, preparing for quizzes and exams, etc.

**Testing Information**
There will be three proctored exams throughout the course of the semester. Note: the online option is only available to the online sections.
(Please reference the course schedule for exact dates.)
- The exams are found within Canvas and are comprised of questions that must be completed within 75 consecutive minutes. The exams will be administered via a lock down browser which is not compatible with mobile devices (i.e., you will need access to a laptop or desktop computer). A computer – not a tablet – with microphone and camera are required for all exams. The exam questions are presented one at a time and cannot be resubmitted or revisited. The exams are to be completed in one setting and cannot be saved for completion at a later time.
- You may use one 4X6 index card with HANDWRITTEN notes front and back, a financial calculator, and blank scratch paper for each exam. No additional materials are allowed.

There are two options/methods to take the exams. Please make sure you review the relevant option and the details listed below.
1. **Proctor U (online only sections – not hybrid or in-person sections)**
2. **Instructor Proctored** (see below and in Canvas for dates and locations)

**ProctorU Student Information – Online sections only**
Please review everything below as they discuss the associated fees and scheduling procedure related to using the Proctor U service. It is advised to make appointments well in advance (today is a good idea). More information: [ProctorU at UTA](https://www.proctoru.com/students/)

If you are new to Proctor U or would like more information on how to get started with their services, please view the following webpage: [https://www.proctoru.com/students/](https://www.proctoru.com/students/)

If you would like to learn how the Proctor U service will operate, please view the following 2-minute video or read the following manual: [https://www.proctoru.com/pre-exam-checklist/](https://www.proctoru.com/pre-exam-checklist/) or [https://www.proctoru.com/testitout/](https://www.proctoru.com/testitout/)

</table>

**Key Dates:**

November 6th: Last day to drop classes.
November 24th: Last day for all in-person classes. Instruction moves to all online after Thanksgiving.
December 8th: Deadline to submit homeworks and quizzes

**Religious Holidays**

Students who anticipate being absent from class due to a major religious observance must provide a written notice of the date(s) and event(s) by the second meeting.

**University and College Policies:**

**Academic Integrity**

Students enrolled all UT Arlington courses are expected to adhere to the UT Arlington Honor Code:

>I pledge, on my honor, to uphold UT Arlington’s tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.
I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

All students are expected to pursue their scholastic careers with honesty and integrity. It is the philosophy of this Department, this instructor, and the University of Texas at Arlington that academic dishonesty is a completely unacceptable mode of conduct and will not be tolerated in any form. All persons involved in academic dishonesty will be disciplined in accordance with University regulations and procedures. Discipline may include suspension or expulsion from the University. “Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, or any act designed to give unfair advantage to a student or the attempt to commit such acts.” (Regents Rules and Regulations, Part One, Chapter VI, Section 3, Subsection 3.2, Subdivision 3.22) Institutional procedures regarding charges of academic dishonesty are outlined in Part II, Chapter 2, of the Handbook of Operating Procedures of The University of Texas at Arlington. Copies of the Handbook are available at more than 75 locations on campus, including the Student Congress office, the Library, and the Finance/Real Estate Department office.

**Student Support Services**

UT Arlington provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and information related to their courses. Resources include tutoring, major-based learning centers, developmental education, advising and mentoring, personal counseling, and federally funded programs. For individualized referrals, students may visit the reception desk at University College (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at [http://www.uta.edu/universitycollege/resources/index.php](http://www.uta.edu/universitycollege/resources/index.php)

**Drop Policy**

Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student's responsibility to officially withdraw if they do not plan to attend after registering. Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. For more information, contact the Office of Financial Aid and Scholarships ([http://wweb.uta.edu/aoa/fao/](http://wweb.uta.edu/aoa/fao/)).

**Disability Accommodations**

UT Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including The Americans with Disabilities Act (ADA), The Americans with Disabilities Amendments Act (ADAAA), and Section 504 of the Rehabilitation Act. All instructors at UT Arlington are required by law to provide “reasonable accommodations” to students with disabilities, so as not to discriminate on the basis of disability. Students are responsible for providing the instructor with official notification in the form of a letter certified by the Office for Students with Disabilities (OSD). Students experiencing a range of
conditions (Physical, Learning, Chronic Health, Mental Health, and Sensory) that may cause diminished academic performance or other barriers to learning may seek services and/or accommodations by contacting:

The Office for Students with Disabilities, (OSD)  www.uta.edu/disability  or calling 817-272-3364.

Counseling and Psychological Services, (CAPS)  www.uta.edu/caps/  or calling 817-272-3671. Only those students who have officially documented a need for an accommodation will have their request honored. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at www.uta.edu/disability or by calling the Office for Students with Disabilities at (817) 272-3364.

**Title IX Policy**
The University of Texas at Arlington (“University”) is committed to maintaining a learning and working environment that is free from discrimination based on sex in accordance with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of sex in educational programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; and the Campus Sexual Violence Elimination Act (SaVE Act). Sexual misconduct is a form of sex discrimination and will not be tolerated. For information regarding Title IX, visit www.uta.edu/titleIX or contact Ms. Jean Hood, Vice President and Title IX Coordinator at (817) 272-7091 or jmhood@uta.edu.

**Electronic Communication**
UT Arlington has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. All students are assigned a MavMail account and are responsible for checking the inbox regularly. There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at http://www.uta.edu/oit/cs/email/mavmail.php.

**Student Feedback Survey**
At the end of each term, students enrolled in classes categorized as “lecture,” “seminar,” or “laboratory” shall be directed to complete an online Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student’s feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit http://www.uta.edu/sfs.

**Final Review Week**
A period of five class days prior to the first day of final examinations in the long sessions shall be designated as Final Review Week. The purpose of this week is to allow students sufficient time to prepare for final examinations. During this week, there shall be no scheduled activities such as required field trips or performances; and no instructor shall assign any themes, research problems or exercises of similar scope that have a completion date during or following this
week unless specified in the class syllabus. During Final Review Week, an instructor shall not give any examinations constituting 10% or more of the final grade, except makeup tests and laboratory examinations. In addition, no instructor shall give any portion of the final examination during Final Review Week. During this week, classes are held as scheduled. In addition, instructors are not required to limit content to topics that have been previously covered; they may introduce new concepts as appropriate.

**Campus Carry**
Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. Under the new law, openly carrying handguns is not allowed on college campuses. For more information, visit [http://www.uta.edu/news/info/campus-carry/](http://www.uta.edu/news/info/campus-carry/)

**Emergency Exit Procedures**
Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exit, which is located immediately outside the main entrance to this room. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist individuals with disabilities.

**Emergency Phone Numbers:** In case of an on-campus emergency, call the UT Arlington Police Department at 817-272-3003 (non-campus phone), 2-3003 (campus phone). You may also dial 911. Non-emergency number 817-272-3381
