F. Descriptions of Major Assignments and Examinations

A. Situated Knowledge Video  10 points

Social Work Practitioners come to practice settings with particular life experiences, perspectives, and expertise from these experiences. The purpose of this assignment is for you to be able to reflect on these experiences and understand your work through the lens(es) they provide. I have provided an example video that I encourage you to watch.

Instructions

1. Prepare 5 points about your own situated knowledge
2. Record a short video

- What part (s) of your identify and life experience shape your understanding and view of the world?
- What assets will they bring to your work?
- What drawbacks or challenges will they bring?
- How will this contribute to your professional identity as a social worker?

B. Genogram/ecomap/critical events time line - 10 pts

Create:
- 1. a three generation family genogram, including your grandparents, parents, yourself, and your siblings. If applicable, you may also include your children in the genogram
  
  or

- 2. Ecopmap
  
  or

- 3. Critical events timeline

Write a 2 page reflective paper explaining your genogram/ecomap or critical events time line and insights you gained. This paper does not have to be in APA format but it does need to be written professionally using correct grammar & punctuation.

C. ETHICS GROUP PRESENTATION - 20 pts

In this assignment, students will be working in groups. Each group is responsible for determining an ethical course of action for handling the dilemma in the assigned scenario. Groups will utilize resource materials in:

- Class Lecture
- Cournoyer, et al. Chapter 5
- Ethical decision making handout

Each group will review a case presenting an ethical dilemma from a list provided and discuss the dilemmas in light of the reading. That is, groups should discuss what ethical principles (according to the Code of Ethics) and/or practice issues are at play. Each group will review their scenario, identify the ethical dilemma(s), discuss the dilemma(s) utilizing the ethical decision-making materials discussed in class, and work to arrive at a consensus (class time will be provided for this, although it may not be enough, it is possible that students will need to spend some time on this assignment outside of the regular class period). In discussing the cases, please follow steps 1-4 of Reamer’s 7-Step Process on the Ethical decision making handout.

Each group will make a 15 minute presentation in class. Presentations should include the following (divided among the members of your group):

Steps 1-4 of Reamer's 7-Step Process:
1. Identify the ethical issues, including the social work values and duties that conflict.
2. Identify the individuals, groups, and organizations that are likely to be affected by the ethical decision.
3. Tentatively identify all possible courses of action and the participants involved in each, along with possible benefits and risks for each.
4. Thoroughly examine the reasons in favor of and opposed to each possible course of action, considering the relevant ethical theories, principles, and guidelines; codes of ethics and legal principles; social work practice theory and principles; personal values (including religious, cultural, and ethnic values and political ideology), particularly those that conflict with one's own.

Each group should also turn in a typed handout to the instructor at the time of their presentation listing their responses to the above questions per the rubric provided. Power points, role play, posters, etc may be used for the presentation. Be creative!

Grading Criteria

Presentations will be evaluated on the group’s ability to clearly address each of the above questions thoroughly and concisely during the presentation. Students are to provide feedback on group members (including themselves) via an evaluation form on Canvas. This evaluation will be part of your grade. The evaluation form WILL NOT be shared with anyone other than the instructor.

Addresses the following Core Competencies (Skills and Behaviors): Educational Policy 2.1.2(a, b, c, and d) Educational Policy 1.3(a, b, c) Educational Policy 2.1.7(a).

D. Skills Demonstration/Progress Note -20 pts (10 points for the skills demonstration, 10 points for the progress note)

Students will demonstrate the skills that they have learned throughout the semester in a final brief 2 person role-play segment involving basic interviewing skills utilized by the social work practitioner during an initial meeting. The role play is expected to last 10 minutes. Some class time will be provided to discuss and prepare the role-play; however, it may not be enough. It is likely that students will need to spend some time on this assignment outside of the regular class period. Additional information on the content and grading of this assignment will be provided in class and posted on canvas in the Assignment folder.

Addresses the following Core Competencies (Skills and Behaviors): Educational Policy 2.1.1(a, b) Educational Policy 2.1.2(a, b, c. and d) Educational Policy 2.1.3(a, b, c) Educational Policy 2.1.6(a) Educational Policy 2.1.7(a) Educational Policy Educational Policy 2.1.10(a)-( i, ii, iii, iv, v) Educational Policy 2.1.10(b)-( i, ii, iii, iv, v) Educational Policy 2.1.10(c)-( i, ii, iii, iv, v) Educational Policy 2.1.10(d)-( i, ii, iii, iv, v)

E. EXAMS (2) - 20 pts each

Two exams will be given during the semester. One will cover the first half of the class material; the second will cover the second half of the class. Exam material will come from lectures, assigned readings, and any handouts given in class. As the exams are taken on line there will not be make up exams. If you miss the opportunity to take the exam there will be no make up exams.

There will be 5 in class participation activities worth 2 points each. If a student is not in attendance no points will be given. You cannot make up points.

Role-plays - 0 pts
On a number of occasions throughout the semester, you will meet in groups of three to practice skills learned in class and in assigned readings. You will take turns being the social worker and the client. Students are expected to participate fully as part of their class participation. The goal of these exercises is for you to become increasingly comfortable with yourself, to improve your skills and to learn from others. As an observer, I want you to gain insight into what is NOT said as much as what is said, and to notice when the body language of the role players does not match what they are saying. The role-plays will not be graded; however, participation in the exercises is required as part of your class participation grade.

PAPERS - GENERAL INFORMATION AND EXPECTATIONS

All papers must follow APA guidelines. At a minimum this means:

• Points will be deducted if you do not follow these guidelines. See the following website for additional help with APA format: http://owl.english.purdue.edu/owl/resource/560/01/
• Written work must be clear, concise, and grammatically correct. Deficiencies in areas such as spelling, punctuation, sentence structure, and incoherent organization will result in lower grades. As stated, plagiarism (using someone else’s words, thoughts, or ideas and claiming them as your own - i.e., using direct sentences written by others) will result in a failing grade for the course.
• Please use formal and professional language when completing papers and assignments for this course. This includes refraining from the use of contractions (e.g., can’t, don’t, won’t, etc.).

**Unless otherwise indicated by the instructor, all designated assignments must be submitted through Canvas. Hard Copies are not to be turned in unless specified otherwise.

G. Attendance

At The University of Texas at Arlington, taking attendance is not required but attendance is a critical indicator in student success. Each faculty member is free to develop his or her own methods of evaluating students' academic performance, which includes establishing course-specific policies on attendance. However, while UT Arlington does not require instructors to take attendance in their courses, the U.S. Department of Education requires that the University have a mechanism in place to mark when Federal Student Aid recipients "begin attendance in a course." UT Arlington instructors will report when students begin attendance in a course as part of the final grading process. Specifically, when assigning a student a grade of F, faculty report the last date a student attended their class based on evidence such as a test, participation in a class project or presentation, or engagement online via Canvas. This data is reported to the Department of Education for federal financial aid recipients.

Information specific to modality and meeting times for this course are provided in the section below.

Due to the format and content of this course, regular and punctual attendance is imperative and expected. Additionally, it is expected for students to be on time and not leave early. Repetitive lateness (e.g., 15 minutes late), as well as leaving class early, may affect your final grade. If it is necessary for you to be late or leave class early, please let instructor know in advance. Any in class assignment missed cannot be made up.

This is a Tuesday/Thursday hybrid course that meets every Thursday face-to-face, and online synchronously on Tuesday. Students are expected to attend both sessions.

All classes will remain
online synchronously after Thanksgiving.

Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exits, which are the stairwells located at either end of the adjacent hallway. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist individuals with disabilities.

### P. Drop Policy

Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student’s responsibility to officially withdraw if they do not plan to attend after registering. **Students will not be automatically dropped for non-attendance.** Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. For more information, contact the Office of Financial Aid and Scholarships ([http://wweb.uta.edu/aao/fao/](http://wweb.uta.edu/aao/fao/)).

**W. Student Feedback Survey**

At the end of each term, students enrolled in face-to-face and online classes categorized as “lecture,” “seminar,” or “laboratory” are directed to complete an online Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student’s feedback via the SFS database is aggregated with that of other students enrolled in the course. Students’ anonymity will be protected to the extent that the law allows. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback is required by state law and aggregate results are posted online. Data from SFS is also used for faculty and program evaluations. For more information, visit [http://www.uta.edu/sfs](http://www.uta.edu/sfs).

**X. Final Review Week**
