Office Hours: MWF 10:00 – 11:00am, or by appointment

Section Information:  ECON 3303-001

Time and Place of Class Meetings:  COBA 243, MWF 9:00 - 9:50am

Description of Course Content:  Monetary and banking systems of the United States, including the problems of money and prices, proper organization and functioning of commercial banking and Federal Reserve systems, problems of monetary standards, and credit control. Recent monetary and banking trends.

Course Prerequisites:  ECON 2305.  PRINCIPLES OF MACROECONOMICS

Course Objectives:
This course will provide an overview of the field of Money and Banking. At the end of the course you will have an understanding of the nature, operation and function of the United States money and banking systems and the Federal Reserve System, and the application of modern monetary and banking theory to domestic economic problems. Recent monetary and banking trends and financial system issues will be discussed.

Student Learning Outcomes:
At the end of this class the student should be able to:
- Explain the role of financial markets and financial intermediaries in the financial system.
- Analyze interest rates using the bond market.
- Explain the fundamentals of bank management and bank regulation.
- Explain the structure, tools, goals and strategy of the Federal Reserve System.
- Explain the transmission mechanisms of monetary policy.
- Explain the relationship between money and inflation.
- Explain the relationship between the foreign exchange market and domestic monetary policy.

Additional material and current events will be introduced during the semester as appropriate.

**Major Assignments and Examinations:**
Two examinations plus a comprehensive Final Examination will be given.

**Attendance:**
At The University of Texas at Arlington, taking attendance is not required but attendance is a critical indicator in student success. Each faculty member is free to develop his or her own methods of evaluating students’ academic performance, which includes establishing course-specific policies on attendance.

As the instructor of this section, I have elected to take attendance at class meetings to satisfy U.S. Department of Education requirements set out below and for class participation events. I will not factor attendance into the grade except for class participation events.

However, while UT Arlington does not require instructors to take attendance in their courses, the U.S. Department of Education requires that the University have a mechanism in place to mark when Federal Student Aid recipients “begin attendance in a course.” UT Arlington instructors will report when students begin attendance in a course as part of the final grading process. Specifically, when assigning a student a grade of F, faculty report the last date a student attended their class based on evidence such as a test, participation in a class participation event, or an engagement online via Canvas. This date is reported to the Department of Education for federal financial aid recipients.

Should any official request for your attendance be made, I will reply to that request based on my class attendance records.

Students are expected to attend each class and are expected to arrive on time and come to each class having read the text and having read or viewed other materials for that class and with any other assignments or assessments completed. Answering the end of chapter questions for the material to be covered in each class is an explicit part of reading the text and should be completed before the class. We will work some of these problems in class.

Students who miss a class are responsible for securing any and all coursework or announcements missed. It is my suggestion that each student make an arrangement with one or two other students for securing all coursework or announcements missed. I will not provide this information.

**Other Requirements:**
Cell phones are allowed in class ONLY for class-related purposes. They otherwise must be turned off or silenced and not on desk surfaces or in use by you during class.

Other electronic devices are allowed in class ONLY for class-related purposes, such as when your text is in electronic form on the device, you take class notes with it, or class participation requires it.

**Grading and Methods of Evaluation:**

**Grades:** A = 90-100  B = 80-<90  C = 70-<80  D = 60-<70  F = below 60  
These grade values ARE NOT ROUNDED values: 89.999999 is a B letter grade (<90). You can see your current grade in Canvas as the class progresses through the semester. The entire student grade calculation is done in Canvas. I DO NOT adjust grades for students who are "close" to the next higher letter grade.  DO NOT ASK.

**Exams:** Two exams plus the Final Exam will be given. Exams 1 and 2 are each worth **20%** of your grade and the Final Exam is worth **25%** of your grade (**65% total**). Tentative dates for these exams and the fixed date of the Final Exam are:
- Exam 1: Monday, 2/17/2020
- Exam 2: Monday, 3/23/2020
- Final Exam: Wednesday, 5/13/2020 (**8:00am - 10:30am**)

The date and content of the Exam 1 and Exam 2, and the content of the Final Exam are dependent on class progress and may be adjusted during the semester. Announcements will be made in class for any exam content and date changes.

The date and time of the Final Exam is fixed by the University and is subject to change if University schedules change it.

**Class Participation:** Class participation is **10%** of your grade. Class participation events include all student class presentations. Other participation events will be announced in class. In order to receive a class participation event grade, you **MUST** be in attendance for that **ENTIRE** class period. If you are not present or are significantly tardy during the class period for that event, you will receive a grade of zero (0).

**Quizzes:** Quizzes are **25%** of your grade. Quizzes will be administered through Canvas or in class. In-class quizzes may be announced or unannounced. All quizzes, regardless of medium are **individual effort closed book**. It is anticipated that there will be a quiz over the material in each subject covered. The lowest two (2) Quiz grades will be dropped.

**Make-up Quiz, Participation and Exam Policy:**
- If you miss a quiz or participation event, grades WILL NOT be made up **FOR ANY REASON** and will result in a grade of zero (0) for that quiz or participation event.
- If you miss either Exam 1 or Exam 2 for a valid reason **completely and totally beyond your control**, you MAY be allowed to substitute the Final Exam percentage grade for only **ONE (1)** missed exam percentage grade. This **IS NOT A GUARANTEE** that you may miss an exam and receive a grade other than zero (0) on it. I reserve the right to determine the validity of and require documentation proof for the absence excuse to be valid and accepted. If at all possible, notify me by email **BEFORE** the exam class if you must miss an exam, but in no case later than the next class period. Voluntary absence, vacations, forgetting, or oversleeping is never an excused absence.
- **YOU MUST TAKE THE FINAL EXAM.**

**Other devices:** You may use an approved calculator for any Canvas or in-class quiz or in-class Exam or Final Exam, but may not share a calculator. **NO** other electronic devices, including phones or watches, may be used during Canvas in-class quizzes or in-class Exams or the Final Exam.

**Expectations for Out-of-Class Study:** Beyond the time required to attend each class meeting, students enrolled in this course should expect to spend at least an additional nine (9) hours per week of their own time in course-related activities, including reading required materials, completing assignments and assessments, taking notes, preparing for exams, etc.
**Canvas:** This class will use Canvas, an electronic learning software platform, for the distribution of course information, including grade results during the semester, and for some quizzes. Be sure to check the class Canvas site on a regular basis for announcements and other material related to class.

**Grade Grievances:** Any appeal of a grade in this course must follow the procedures and deadlines for grade-related grievances as published in the current University Catalog.

**Drop Policy:** Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student's responsibility to officially withdraw if they do not plan to attend after registering. **Students will not be automatically dropped for non-attendance.** Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. For more information, contact the Office of Financial Aid and Scholarships (http://wweb.uta.edu/aoa/fao/). **ABSOLUTELY NO DROPS AFTER THE OFFICIAL LAST DAY TO DROP.**

**Disability Accommodations:** UT Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including The Americans with Disabilities Act (ADA), The Americans with Disabilities Amendments Act (ADAAA), and Section 504 of the Rehabilitation Act. All instructors at UT Arlington are required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of disability. Students are responsible for providing the instructor with official notification in the form of a letter certified by the Office for Students with Disabilities (OSD). Only those students who have officially documented a need for an accommodation will have their request honored. Students experiencing a range of conditions (Physical, Learning, Chronic Health, Mental Health, and Sensory) that may cause diminished academic performance or other barriers to learning may seek services and/or accommodations by contacting: **The Office for Students with Disabilities, (OSD) www.uta.edu/disability or calling 817-272-3364.** Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at [www.uta.edu/disability](http://www.uta.edu/disability).

**Counseling and Psychological Services, (CAPS) www.uta.edu/caps/ or calling 817-272-3671 is also available to all students to help increase their understanding of personal issues, address mental and behavioral health problems and make positive changes in their lives.**

**Non-Discrimination Policy:** The University of Texas at Arlington does not discriminate on the basis of race, color, national origin, religion, age, gender, sexual orientation, disabilities, genetic information, and/or veteran status in its educational programs or activities it operates. For more information, visit [uta.edu/eos](http://uta.edu/eos).

**Title IX Policy:** The University of Texas at Arlington ("University") is committed to maintaining a learning and working environment that is free from discrimination based on sex in accordance with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of sex in educational programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; and the Campus Sexual Violence Elimination Act (SaVE Act). Sexual misconduct is a form of sex discrimination and will not be tolerated. **For information regarding Title IX, visit www.uta.edu/titleix or contact Ms. Jean Hood, Vice President and Title IX Coordinator at (817) 272-7091 or jmhood@uta.edu.**

**Academic Integrity:** Students enrolled all UT Arlington courses are expected to adhere to the UT Arlington Honor Code:

> I pledge, on my honor, to uphold UT Arlington’s tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.

> I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

UT Arlington faculty members may employ the Honor Code in their courses by having students acknowledge the honor code as part of an examination or requiring students to incorporate the honor code into any work submitted. Per UT System *Regents’ Rule* 50101, §2.2, suspected violations of university’s standards for academic integrity (including the Honor Code) will be referred to the Office of Student Conduct. Violators will
be disciplined in accordance with University policy, which may result in the student’s suspension or expulsion from the University. Additional information is available at https://www.uta.edu/conduct/.

It is the philosophy of The University of Texas at Arlington that academic dishonesty is a completely unacceptable mode of conduct and will not be tolerated in any form.

_Scholastic dishonesty includes but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give an unfair advantage to a student or the attempt to commit such acts._

**Electronic Communication:** UT Arlington has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. All students are assigned a MavMail account and are responsible for checking the inbox regularly. There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at http://www.uta.edu/oit/cs/email/mavmail.php.

**Campus Carry:** Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. Under the new law, openly carrying handguns is not allowed on college campuses. For more information, visit http://www.uta.edu/news/info/campus-carry/

**Student Feedback Survey:** At the end of each term, students enrolled in face-to-face and online classes categorized as “lecture,” “seminar,” or “laboratory” are directed to complete an online Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student's feedback via the SFS database is aggregated with that of other students enrolled in the course. Students' anonymity will be protected to the extent that the law allows. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback is required by state law and aggregate results are posted online. Data from SFS is also used for faculty and program evaluations. For more information, visit http://www.uta.edu/sfs.

**Final Review Week:** for semester-long courses, a period of five class days prior to the first day of final examinations in the long sessions shall be designated as Final Review Week. The purpose of this week is to allow students sufficient time to prepare for final examinations. During this week, there shall be no scheduled activities such as required field trips or performances; and no instructor shall assign any themes, research problems or exercises of similar scope that have a completion date during or following this week _unless specified in the class syllabus_. During Final Review Week, an instructor shall not give any examinations constituting 10% or more of the final grade, except makeup tests and laboratory examinations. In addition, no instructor shall give any portion of the final examination during Final Review Week. During this week, classes are held as scheduled. In addition, instructors are not required to limit content to topics that have been previously covered; they may introduce new concepts as appropriate.

**Emergency Exit Procedures:** Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exit or emergency exit. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist individuals with disabilities.

Evacuation plans may be found at http://www.uta.edu/campus-ops/ehs/fire/Evac_Maps_Buildings.php. In the case that you are unable to ascertain this information in time for your syllabus, you must be sure to explain to your students on day one how best to exit the building. Inclusion of this verbiage as well as a brief discussion on the matter with your students at the beginning of the term is mandated by UT Arlington Procedure 7-6: Emergency/Fire Evacuation Procedures http://www.uta.edu/police/Evacuation Procedures.pdf.

Students should also be encouraged to subscribe to the MavAlert system that will send information in case of an emergency to their cell phones or email accounts. Anyone can subscribe at https://mavalert.uta.edu/ or https://mavalert.uta.edu/register.php

**Student Support Services:** UT Arlington provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and
information related to their courses. Resources include tutoring, major-based learning centers, developmental education, advising and mentoring, personal counseling, and federally funded programs. For individualized referrals, students may visit the reception desk at University College (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at http://www.uta.edu/universitycollege/resources/index.php.

University Tutorial & Supplemental Instruction (Ransom Hall 205): UTSI offers a variety of academic support services for undergraduate students, including: 60 minute one-on-one tutoring sessions, Start Strong Freshman tutoring program, and Supplemental Instruction. The IDEAS Center: (2nd Floor of Central Library) offers free tutoring to all students with a focus on transfer students, sophomores, veterans and others undergoing a transition to UT Arlington. To schedule an appointment with a peer tutor or mentor email IDEAS@uta.edu or call (817) 272-6593.

The English Writing Center (411LIBR): The Writing Center Offers free tutoring in 20-, 40-, or 60-minute face-to-face and online sessions to all UTA students on any phase of their UTA coursework. Our hours are 9 am to 8 pm Mon.-Thurs., 9 am-3 pm Fri. and Noon-6 pm Sat. and Sun. Register and make appointments online at http://uta.mywconline.com. Classroom Visits, workshops, and specialized services for graduate students are also available. Please see www.uta.edu/owl for detailed information on all our programs and services.

The Library’s 2nd floor Academic Plaza offers students a central hub of support services, including IDEAS Center, University Advising Services, Transfer UTA and various college/school advising hours. Services are available during the library’s hours of operation. http://library.uta.edu/academic-plaza

Bomb or Other Threats: If anyone is tempted to call in a bomb or other threat, be aware that UTA will attempt to trace the phone call and prosecute all responsible parties. Every effort will be made to avoid cancellation of presentations or tests caused by bomb threats. Unannounced alternate sites will be available for these classes. Your instructor will make you aware of alternate class sites in the event that your classroom is not available.

Course Schedule:

An Excel spreadsheet for this schedule will be posted in Canvas for this course. This schedule is subject to change. Announcements will be made in class for any changes and revised spreadsheets will be posted in Canvas. The spreadsheets in Canvas will supersede this schedule if different.
